

I am writing to express my concern in hopes that the Commission will reject NAB's petition 04-160. I am an XM customer and happily pay for the service and the broadcasts which they provide. Please do not allow the National Association of Broadcasters to dictate what I am entitled to hear while it is I, the customer, paying for these services. XM Radio provides outstanding quality and variety of broadcasts that are not available elsewhere. Again, I respectfully urge the FCC to reject the NAB's Petition 04-160.
